

Nitarāṣ

A
Musical Ballet
for
Environment

Introduction

Our world is in peril. Conflict between man and nature has increased in the name of progress. We need to create a cleaner, greener, sustainable world. This calls for putting environment first: Nitara.

Garbage Concern Welfare Society (GCWS Since 2005).

A life-skill developing organization focused on building sustainable communities through direction, dedication, determination and doing. Thus bridging the gap between environment education and sustainable living.

Goal: putting environment first: Nitara.

Green Manager Program (GMP Since 2007).

A training program that builds a task force to manage environment. Till date over 500 school dropouts trained under GMP in Mumbai and Pune.

Nitara (A musical ballet for environment).

A Fundraiser scheduled on 10th February 2013 at Ravindranath Kala Academy Mumbai. Through Nitara, GCWS will gather resources to train 2000 school dropout during 2013-14 in 5 cities in Maharashtra.

Highlights

A Rainbow of **Celebrities** : Ms. Madhuri Dixit, Mr. Naseerudin Shah, Mr. Boman Irani, Ms. Gracy Singh, and others will take center stage. Over 300 students from 20 school and 3 colleges will create a symphony of colors, sounds and dance moves.
